Description :

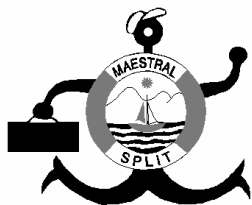

The hotel Imperial is situated at the coastline of the tourist resort Vodice, with its own pebble beach. It is surrounded by a beautiful park of carefully gardened Mediterranean plants. It has been categorized with three stars.

*Near the hotel there are three annexes: Flora, Madera and the villa Regina, also categorized with three stars, and four villas: Clara, Marina, Luisa and Ana, categorized with three stars. The whole hotel complex has at its disposal the capacity of 420 rooms and 15 hotel apartments. The majority of the hotel rooms are air-conditioned, with a view to the seaside. They all have their own balconies, and are equipped with a satellite TV and a phone. The rooms of the annexes have the appurtenant balcony, a satellite TV and a phone. The hotel has an air-conditioned guest restaurant and a recently redecorated a-la-carte restaurant, an aperitif bar, snack and cocktail-bar on the beach, a TV room, and the souvenir shop. If You wish to expand Your gastronomic experience You'll have to visit our beerhouse POSEJDON. It is situated on the groundfloor of the opened hotel terrace. It will surely delight You with various fish and meat specialities, also as the food made on the traditional way under the broiler. The guest have a different sport, health and beauty facilities at their disposal: fitness, massage center (aromamassage), sauna, hairdressers, a **handball playground, tennis court and the children playground**. It has also opened and the closed swimmingpool with the sea water. During the summertime there is a rich animation programme for children and adults. On the beach of the hotel we offer a rent of deck chairs and parasols. In the evening hours the guests can relax enjoying a rich and entertaining program, and once a week the hotel organizes "the Dalmatian evenings" with a traditional music performed by a*

NEUM

Neum is a part of tourist region of the southern Adriatic, and is the only town situated by the sea in Bosnia and Hercegovina.

With its long and warm summers and short and mild winters, Neum is considered to be on of the sea towns with the most sunny days in the year.

Average monthly temperatures of the sea are from 13 degrees Celsius in January to high 32 degrees Celsius in July and August.

Beside swimming and sun-bathing, Neum can, due to its mild climate, offer to its guests the possibility of climate treatment, that includes fresh sea air, walks along the beach and various water-sport activities.

Neum is 60 km far from Dubrovnik, 80 km far from Dubrovnik airport, 70 km far from Mostar and Međugorje and 30 km far from railway Ploče and Metković.
